

# Unlimited Online Tutoring with Skooli

Westfield Public Schools is excited to offer our students free, **24/7 access to online tutoring with professional educators** through our partnership with Skooli.

## About Skooli:

- Skooli provides 1:1 tutoring with professional educators in a user-friendly digital classroom made up of advanced safety and technology features
- All Skooli tutors are carefully vetted and hold a teaching license, or an advanced degree in the subject they are tutoring in, which means that students will receive the highest quality support
- Students can receive on-demand, 24/7 support in over 100 subjects through instant live tutoring support, or assignment feedback with a 24-hour turnaround time

## How Skooli works:

- Students can log on via Clever on their device → Select the Skooli app
- Select “Get Started” to choose a subject and connect live with a tutor, **or** upload an assignment and receive feedback within 24 hours
- Go to “My Stuff” in your profile dropdown to review old recorded sessions, access saved white boards, and see feedback on uploaded assignments
